

a demon waving a fan
its claw (right claw)
about a thin bamboo handle
a multicolored
fan
made of feathers
seeming parrot
feathers

it has
teeth
the demon not
the fan

pronounced pointed
teeth
yellow shining
enamel

wet
teeth
that move out
from its mouth
and curl with
its claw (right claw)
about the thin
bamboo handle
it waves its
fan with teeth and claw

GAGAKU

they bounce balls
basketballs
and white softballs (baseballs)
the softballs bounce higher than the
basketballs
now they catch the bouncing
balls
in their big open mouths
and swallow them
the basketballs in their stomach
make them appear
pregnant
the softballs caught in
their throat make
them appear to have
mumps or
goiters of the throat
or something
worse
